

## FREQUENTLY ASKED QUESTIONS

### -Four Legged Friends

Any animal that is tamed enough to happily take a short van ride is welcomed to join you on your trip, ask about our pet life jackets when booking your trip.

### -Beverages

We are a family friendly business with customers of all ages, adult beverages are allowed on the river, we only ask that you keep it in moderation and help keep our business family friendly.

### -Taking Breaks

We do not enforce time limits for most of our trips, we just ask that you let us know if you are planning on being out a while. Before your departure ask about where you can stop. There are public parks on many of our trips, however most of the riverbank is private property and trespassers will be prosecuted. Please help keep the river a pleasant place for all to enjoy for future generations.

### -Fishing

Fishing from our boats is welcomed, just be sure to be properly licensed. Fishing in our boat launches is not permitted.
